Opening hours

Monday to Friday
8.30am-6.00pm

We offer early morning and late evening appointments to people who work and are unable to get to the surgery during opening hours. These are by appointment only.

We are closed weekends and bank holidays. When we are closed and you have a medical problem you can call 111. If you have an emergency dial 999 immediately.

The emergency dental number is 01392 823682.

Welcome to Dr Clark

Our new Trainee Registrar, Year 3, Dr Tom Clark, has joined us. He will be with us until November 2020. He is married with one child.

Congratulations to Dr Wood who became a proud grandfather earlier in the year.

REMINDER

Please leave 48 hours between requesting your prescription and going to the pharmacy to collect it. This leaves enough time for the doctor to action your request and the pharmacy to get your prescription ready for you.

FLU JABS

Are just around the corner.

NHS App

The new NHS App is now available which is available to your smartphone or tablet. Like Online Services, you can order prescriptions, book appointments and view your summary medical records and results, but also you can check your symptoms and get advice.

Online Services

As a patient at Chagford Health Centre you can register for online services. This means online you can:

- Order prescriptions
- Book appointments
- View your summary medical record and results

Please speak to reception if you would like to arrange access to your online services account.
